

# 2020 - Wallathon-2!

Reeth 23rd - 24th May 2020 ( Saturday – Sunday)

## Calling All Volunteers!

Have you ever fancied putting something back into the community, for a worthwhile cause?

Following the success of the Wallathon in October, The Dry Stone Walling Association (DSWA), in conjunction with The Prince's Countryside Fund, is working with local farmers in the Reeth area to restore some of the 3500 metres of walls devastated by floods, in August 2109

A 2nd Wallathon is planned for 23rd - 24th May. to rebuild 250 metres of Dry Stone Walling.

The event is open to all, from Novice to the Master Waller, to help move stone or build a section of wall alongside a Master Craftsman. Even if you can only make one day, it would be a great help.

All attendees to contact DSAW Office to confirm their attendance by phone / email, so that numbers can be evaluated, and stints can be setup in advance.
